Re: Award Recommendation – Silas Willard Elementary School Parking Lot

Dear Dr. Asplund:

As requested, we have reviewed the six (6) proposals received at the bid opening held at the District's offices on April 6, 2018 for the above noted project. A summary of the bid tabulation is attached. Hein Construction submitted the apparent low Bid in the amount \$268,049.79. This amount is 13.7% less than our opinion of probable construction cost of \$310,332.00 and therefore we consider a reasonable bid. Hein Construction is a reputable company and has experience with this type of work throughout central Illinois.

Hein Construction appears to have fully completed their bid proposal and submitted the necessary executed forms with their bid proposal. They submitted a bid security in the form of a Bid Bond for 5% of the Amount Bid from a surety company certified to do business in the State of Illinois. Hein Construction as a corporation, included all necessary signatures and dates. Therefore, we find the Hein Construction to be both 'responsive' and 'responsible' as defined in the bidding documents, and recommend that Galesburg CUSD #205 accept the base bid proposal from them and award the Contract to them in the amount of \$268,049.79.

Upon notification that the District approves the bid, we will deliver the Notice of Award along with the Contract and Contract Bond forms, to Hein Construction for their execution.

Very truly yours,

Hutchison Engineering Inc.

W. Shane Larson, P.E.

Attach.
