Galesburg**

**Re: Hawthorne Maintenance Buildings
Area above salt storage; approximately 50' x 70'**

We propose to furnish all labor, material, equipment, and supervision necessary to complete work as follows:

- 1. Remove white roof membrane and gypsum board.**
- 2. Replace any wet foam insulation board at additional cost.**
- 3. Install half-inch fiber board and .045 black reinforced EPDM rubber membrane, mechanically attached.**
- 4. Install new pre-finished metal drip edge.**
- 5. Clean up job-related debris.**

Completion price: \$23,610.00

We carry workers' compensation, public liability, and property damage insurance. This proposal subject to revision if not accepted by July 10, 2018.
