Attached is the spreadsheet for the milk bid for the 2018-2019 school year. As you can see, Prairie Farms is low bid and their product meets our specifications. They are our current milk supplier. The bids were sent to 3 vendors and we received bids from 2 of them. The bid is a 4.25% increase over last year's pricing.

Therefore, Pam and I are recommending that we continue with Prairie Farms for the 2018-2019 school year.
